President's Welcome

Well, the season is really in to wind down mode now with just a couple more events to go.

This weekend we have entered a team in the NT Country Club Championships being played in Katherine. Club teams from Alice, Katherine and Gove alongside us and the Swampdogs, will be out to prove who's the best team below the Berrimah line. We will be using this competition as an opportunity to give our Under 18's a taste of senior football, hopefully strengthening the ties between them and the seniors and making them even keener for next season.

Another initiative in strengthening the Under 18's / seniors ties was to include the Under 18's in our Seniors Presentation Night held on Saturday. It was great to see the large number of Under 18 players at the function. Hopefully it will help in ensuring the transition from Under 18's to seniors is easier for those who want to make it.

Regarding the Presentation Night... what an amazing night! Great costumes, great food and great company (well, company that kept me out well past 4am). To all the award winners – congratulations! And thanks also to all those who helped with the set up or contributed throughout the night. It was a fitting way to conclude our 35th anniversary year.

And lastly, our AGM. The current committee is proposing to restructure our committee for the 2013 season. The proposal will be voted on at a special meeting immediately prior to the AGM. We'll outline the new structure in next week's Croc Tales, allowing everyone to consider the proposed structure as well as the positions available. Keep the AGM date free - we need people to both vote on the new committee structure as well as consider running for a position on next year's committee.

Club News

Construction is going to schedule and the building should be to lock-up stage by Christmas.

We are looking at a mid-February opening, targeted for 11 February.

Anyone with the names and old members of the Club please pass them on to Dennis so that they may be invited to the opening.

Competition

The RTD has somehow managed to organize the 20m for the season - this is a marked improvement on last year's effort. Now all that's left is finding the times of each game on a weekly basis.

The last competition round before Christmas is on the 9th December, however the North Australian Club Championships follow on the 16-17 December. The competition resumes on 11th January.

Player Subscriptions

Dubs are due for the 1990/91 season for all players in all grades. They have been set at \$65 and all players are urged to pay as soon as possible.

Players should remember that the clubs cover the following costs incurred by the club, insurance, affiliation, after-game drinks, shorts and socks, balls etc. No player should be paid to serve other members of the Committee.
