## **President's Welcome**

Well, it certainly feels like the rugby season is here! The Juniors had their sign on day on Sunday and started back at training on Tuesday, our Seniors have their first 15-a-side game this weekend and our Season Launch is on at the clubhouse this Friday night.

I would like to welcome on behalf of the club all new players and their families who signed on over the weekend, as well all our new senior players. I hope your experience with Palmerston Rugby Union Club will be as good as mine has been.

Don't miss your invitation to the Season Launch attached to this week's Croc Tales email. It promises to be a great night: we'll be introducing our 2013 coaches and managers as well as the recipients of the Kerr-Barlow Scholarships, we'll name our club captain as well the A Grade captain, you'll get to meet our Life Members and 2013 sponsors and there will be a jersey presentation for our 7s team. Nibblies and a sausage sizzle for the kids (and hungry big kids) will be included, and there will be happy hour prices at the bar all evening. For those who want to stay on, we'll be replaying the Super 15s on the big screen. Hope to see you there!

#### A Grade

Update from A Grade coach Kerry Smith

The final round of the 10s competition saw a good turnout of Palmy players. First up we took on Swampdogs who went out to an early lead, but Palmerston got back to equal the score by the final whistle. Once again the boys were a bit slow to get any go forward and defensive structure which is probably more a symptom of inconsistent training than anything else.

The second game was against Dragons and was a much better game across the board. The match ended with another draw but the score was really of small importance. The major focus was to get some continuity of possession and take up space with a defensive structure that would prevent the opposition from getting control and these were achieved very well. I'm still getting to know all the guys and getting to learn names so I won't try to name any individuals, but the feeling was very positive by the end of the day. Every one that ran on to the field did their job and did it well.

We have a long way to go before we get too far into the season but we can achieve all those things and a lot more once we get consistency at training. All players - please try to make an effort to get down to Moulden on Tuesdays and Thursdays at 6:00, even if you can't train for the whole session.

We have a great squad and some excellent coaching and development plans to deliver exciting rugby. The structures and game plans being delivered by the coaching staff and particularly Damian Collie will help all our players to develop their own ability and understand the game plans each Saturday. We have a squad ready for the start of the season this weekend, ready to start with a win!!

#### **Under 18s**

The Under 18s were again undefeated on Saturday – another fantastic effort by the players and their coach Justin McKenzie. With six undefeated 10s games to their name, the Under 18s are off to a great start to the season.

# THE JUNIORS

We had approximately 66 juniors signing on for the season at our Junior Sign-On Day (and many apologies from families who had other commitments on the Sunday but were still keen to sign-on the following week). It was great to see so many familiar faces along with many new ones all looking forward to another season of rugby! Thank you to all our wonderful junior coaches and managers, as well as committee members, who gave up their Sunday to attend the sign on event.

### **Coaching update**

A huge thank you to Glen Brady for taking on the role of Under 8 coach. The Under 8s looked as though they thoroughly enjoyed their first training session for the season on Tuesday.

We still require coaches for Under 6 and Under 10. If you are an ex-player, current player, parent or a club member and would like to give coaching a go, we would love to hear from you ASAP! Experience is not essential as the club will support coaches in obtaining their coaching qualifications.

In the meantime, thank you to Robbie Taylor for getting the U10s started this week and to Ben Blyton who will help out with the U6s.

#### **NT Junior Gold Program**

The selection trials for the Pathway to Gold program continues. Well done again to the following Palmerston players who have made it through to the next stage:

Under 14: Elijah Simpson, Under 15: Matt Ellis, Under 16: Felix Byrne, Bayley Hakes, Under 17: Jordan Boyd, Xavier McKenzie, Will Bohning, Greg Svanfelds, Under 18: Cody McFarlane, Ryan Cotton

Palmerston has more players represented than any other club, which is a good reflection on our junior program. Well done to all the boys and their junior coaches along the way, and thank you to the parents (taxi drivers!) for giving these boys a great opportunity to further their rugby experiences.
