### Last Week's Games

A v Dragons

Dragons 25 d Palmerston 14

### Coach Bree reports:

It has taken a while to sit down and write this piece as it's hard to type while crying. After the game I couldn't help thinking that we really just didn't get into the game. On Tuesday evening we watched the cut version of the game and the number of turnovers (17) and penalties (19) plus a fairly predictable attack and a disjointed defensive line meant that we didn't give ourselves a chance.

Once Dragons got a lead they employed a good kicking game to keep us pinned in our 22m area and then we felt the need to take some extraordinary chances in order to get out.

Without going back over the game, I am hopeful that by watching the game we are all agreed on what now needs to happen and this weekend will see a happy result.'

Our tries were scored by **Ben Mitchell** and **Tom Hurse and Shane Stoeckert** converted both tries.

The Player's Player was Apenisa 'Jah' Nayacadraudrau.

#### B v Dragons

Dragons 20 d Palmerston 5

### Coach Killiner reports:

'It was Major Semi Final time in B Grade, with Dragons finishing the season as Minor Premiers and Palmy in second spot. It was always going to be a tough ask against a side that lost only 1 game all season.

Palmy started the game well running with a slight wind in

the first half and thanks to a Mika Dreu try we led at half time 5-0.

Unfortunately, due to some crucial errors on our part and some very trying refereeing decisions, Dragons were able to lift the tempo in the second half and score 4 unanswered tries to run out relatively comfortable 20-5 winners.

There were some real positives to take from the game. Once again we dominated the set pieces with our lineouts working well and our scrums dominating (at least 3 tight heads that I can recall). Our go forward was good with Damian O'Brien once again leading the way. Dale Reid also had a strong game pilfering a number of Dragons wayward lineout throws and Gary Cooper active at the breakdowns.

Dan Bree and Keven Jones both had strong games in the backs. We lust lacked a little penetration in the mid field and is something we can definitely improve on for this week's game against Jabiru.

Our discipline throughout the game was patchy, particularly as some refereeing decisions went against us. This is something we worked on all year and to let it fall away in a semi final is disappointing. I would like to think that this was just a blemish as it has not been part of our game so far this season.

Bring on Jabiru!!

Player's Player was Keven Jones.

Coach Snowden offers some comments on last week's U18 sudden death semi final.

'University started best, with the Crocs dropping ball and generally making basic errors in attack.

We had an early injury to inform outside back Paddy Elliott which disrupted the backline. Further to this we were not plaving to our usual standard and were all spectating for the 1st half, forward runners were being isolated and possession was being easily 'turned-over'. Our lineouts were not working and timing and throws were all over the place. Our usual options were difficult to achieve. The backline was way too far apart and flatfooted in attack which made it almost impossible to make any reasonable metres; our excellent defence was our main positive outcome. University went into the break 5-0 ahead, we were handing them the game!

Some half time 'self evaluation' was all that was needed to switch the Crocs on. We went into the 2nd half re-focused on our simple game plan, fixing up our error rate and with a renewed commitment between the players not to be beaten from minor premiers into last by the 4th placed team.

The forwards began to take the ball up the 'tram tracks' dominating possession and field position. The backs moved closer and deeper allowing freer movement and more line breaks as a consequence. Keith Dowling and Kane Richards were outstanding on the day with Keith making 1 or 2 decisive breaks and Kane tackling anything that came his way...**Kane** was also tremendous in making all the right decisions and taking the

> correct options, just what 1st V's need to be doing!

We need to keep these future Mozzie players in our club!

The forwards all lifted as a group in the 2nd half, allowing the rewards of victory to come our way. Jacob Brandt, Tom **Cummins** and **Brenton** Whatley were all super committed and led from the front. The opposition wilted in defence, with the last 10 minutes of the half providing some excellent Rugby...and an indicator for the team on what will be the minimum effort required in securing the premiership this week.

We won the 2<sup>nd</sup> half comfortably in the end, with perhaps a 'wake-up call' / 'kick in the pants' for our troubles.

Thank you to Darren Bishell and the PRUC U16's who loaned players and replacements for the bench...Jacob Collins was fantastic both on the flank and at outside centre, along with Anthony Smith who always plays above his weight...thank you to all those who helped.

This week is GF time against the cougars (notice the small font!!! Bernie, Dennis and Boulder)...and we need to be fully prepared for the challenge that is finals footy. anyone can win...usually the best prepared and most committed.

This year has been very successful for the Colts with lots of representative honours, many outstanding performances and many players showing their true worth, this will add extraordinary value to the club in the senior levels for many years to come.

The U18's PRUC Colts are a very special group with many personalities and great potential within...it has been a privilege to be associated with them for the last half of the season.

Also a very special "thank

you" to Cate Killiner for the stacks of assistance she has supplied throughout the year, our team would not have been as successful without your help.

Our tries were scored by Kyle Davies and Brett Noakes. Kane Richards kicked 2 beautiful conversions.

#### U16 v Dragons

Palmerston 17 v Dragons 17 Our tries were scored by Jordon Bishell, Rob Cotter and Not Listed while Dean Staunton kicked a conversion.

### U14 v Dragons

Dragons 41 d Palmerston 12 Coach Donovan says:

'Unfortunately the school holiday break seems to have altered out numbers quite considerably and we have lost a few of our bigger players. On Friday night we fielded the smallest physical sized team we have all year which didn't help us against one of the biggest sides around in Casuarina.

Despite this our boys made a very good game of it and kept them scoreless for a good majority of the first half. The pace of the game indicated that they could run away with it at anytime but our team stuck to their game plan. Our team felt a little cheated when a try was awarded when the player appeared to be held up over the line but unfortunately the referee saw it differently. Despite two late tries by them it was a very competitive game.

Once again **Brad Hogan** played a very good game to pick up three points along with Jarred Donovan who scored both of our tries. Two points went to Lauchie Wade and

one point went to Jake Gill. Players' player went to Brad Hogan and the Palmerston McDonald's encouragement award went to Peter Kilgour. Jarrod Donovan scored both our tries and Brad Hogan converted one.

# Italian Night.

Last Thursday night was a very successful Italian Night organised by the Juniors. Ali **Snowden** says a very big thank you to all of the chefs: Lyn Cotton, Pauline Wyles, **Kylie Grainger, Carol** Bolton, Tania Mitchell, Robyn Deo, Kerrie Hogan, Cat Waite, Jo Bell and Fiona Austine.

The food was delicious with a great variety of pastas and plenty to feed both junior and senior players and families who attended. On top of all of that \$320.00 for the club.

# Croc Jottings

Leigh 'Staity' Stait announced after last weekend's A Grade semi final that he had just played his last game for the club.

He's a bit sneaky really.

Coach Bree knew he wouldn't be available for any more games this season due to exercises but he hadn't let on about his transfer to Brisbane. We'll see him at a reunion I'm sure.

He also hadn't let on that he has recently become engaged.

Congratulations Staity and all the best for your future.

#### Rehydrate

We all know the importance of rehydrating but has anyone ever taken it to the extremes that Lee Verrall did? After last week-ends A Grade game, Lee put a line into himself and sat down to a lovely saline drip. Coach Bree still prefers beer.

Team managers Fiona Austine and Cate Killiner say a big thank you to senior players, Brett Lenz and Michael Scaturchio who helped with the water last week-end.

It was a bit warm mid afternoon and their help made Fiona and Cate's job a bit easier.

They also say thanks to Ashleigh Killiner who is now the kicking tee runner and general helper.
