DARWIN SHOW CLEANUP

I would like to thank all the volunteers who helped out at the Darwin Show cleanup. A special thanks to **Lyn Cotton** and **Cecily Boulton** who turned up for two shifts. For those who placed their name on the list and did not turn up for their shifts, I suggest you apologize to the people that had to do extra to get the job done. No names – you know who you are!!

There will be a **BBQ** and **free drinks** at the clubhouse at **noon** on **Sunday, 31st July**, for all who helped out at the show.

Thanks again.

DENNIS BREE'S 60TH BIRTHDAY

There was a good turnout for Dennis' 60th birthday at the clubhouse last Sunday.

Great to see many of the Crocs' past players and supporters there to help him celebrate as well, of course, as the members of his own family.

It was also good to see some of the present players, both A and B grade, come down too.

The rugby game was played in good faith – **Brockie** even took on the task of referee and true to form even questioned his own decisions! Look out if he ever takes on the task seriously! There were two halves to the game – with a good break in between to down refreshments.

After the game, everyone adjourned to the clubhouse to enjoy the drinks and nibbles provided.

From all accounts, the gathering went on for quite a while after the birthday boy left.

Dennis hasn't hung up his boots as yet, and another season is just about to finish.

NO DOUBT ABOUT THE "OLD SCHOOL"

Here's a couple of pictures of Thursday's rubbish collectors at the Darwin Show.

Along with **Kerry Smith**, they did the 10 hour day shift on Thursday.

Squiter, Boulder and Dennis (Grumpy) Grant took over for the Thursday night shift.

It would be interesting to calculate just how many combined hours/years all of the above have been doing this as a fundraiser for the Club. The result would be mind-boggling!
