**A REMINDER ABOUT
THE WAY AHEAD**

As members are aware, a large amount of money has been given to a number of sporting bodies in the Palmerston area. These amounts have, in some cases, been in the millions of dollars. To date, rugby union has received nothing. The committee has discussed this matter, as have a number of other club members, and it was felt that a meeting for all interested members and supporters of Palmerston Rugby Union Club would be a first step in putting forward a case for substantial funding to help develop rugby union in Palmerston and surrounding areas. Some of the areas we probably need to look at are as follows:

1. Population growth in the area under consideration.
2. New city of Weddell.
3. Do we develop Moulden Oval or look for a green site?

4. What facilities do we need – number of pitches, lights both training and match, changing rooms, medical and fitness facilities, social facilities.
5. Are we prepared to share facilities with any new rugby union club which may develop over the next 10 years or so?
6. How do we manage any new facility, especially if it is a shared facility?
7. How do we meet the costs of any new facility?

A meeting to discuss these points plus any others that members wish to raise will be held in the clubhouse on **Sunday, 25th September 2011 at 2.00 pm.**

Put your thinking caps on and let's have a good attendance of members and supporters interested in the future development of **PALMERSTON RUGBY UNION CLUB.**

SNIPPETS

To those of you who know **Glen McPhee** – he is retiring after 27 years in the police force. Glen played for the Palmerston Crocs for many years and is well-known in rugby circles. A farewell "do" will be held at Rugby Park on **Friday, 16th September, at 1630 hours.** Rumour has it there will be no nude rugby until after 2330 hours!
